**REQUEST TO PUBLISH THE PCT SEARCH REPORT REFERENCES**  
**ON THE FIRST PAGE OF THE PATENT**

Sir:

This paper is **not** an IDS.

The prior art listed on the attached form 1449 is prior art which, according to form PCT/DO/DE/903, the 371 Acceptance Letter which was generated by the PTO, **has already been received by the PTO.**

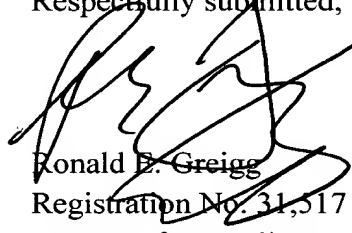

This prior art was cited as part of a PCT Search Report for the International Application which has now matured into this US application under 35 USC 371.

Appl. No. 09/807,922  
Filed in the USPTO on October 13, 2004  
Request to acknowledge PCT references

Accordingly, this prior art should have come to the attention of the Patent and Trademark Office and the examiner by way of the PCT file **as part of the Office's standard processing of PCT applications into US national applications under 35 USC 371.** As such, it should have already been considered by the examiner.

This prior art is being placed on a form 1449 for the convenience of the examiner, so that the examiner can easily acknowledge having considered it.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Ronald B. Greigg', is written over the typed name and registration number.
